"So, this is my chamber. Feel yourself home. I don't know if you've had the chance to have sleepovers before... all this happened, but this just feels like one." She laughs and drops her backpack. "Let me take a shower before I show you around, okay? It won't take long." She says as she walks into the bathroom, and closes the door behind herself.

You take a seat in one of the white chairs, and hear the sound of water splashing for a while. You whistle a little, and look around the room. You imagine how amazing it would be if the TV worked. As you keep looking around in slight boredom, you glance on Lizzie's backpack. Its zipper is slightly open.

Go through her backpack.

Leave it alone.
